

# What Your Veterinarian WON'T Tell You About Microchipping

- ❖ What Is Microchipping?
- ❖ Who Designed Microchips And What Is Their Future Purpose?
- ❖ Will Microchips Be Used For Identification In Humans?
- ❖ Were Microchips Prophesied Of Nearly 2,000 Years Ago?

## **Let's Begin With Explaining What A Microchip Really Is:**

Microchips are very small computer chips that contain a specific identification number that will permanently identify your pet. This chip is about the size of a grain of rice, and is so tiny that it can readily fit into a hypodermic needle. Insertion is quite simple and is generally done under the skin, in between the shoulders of your pet. A scanner is required which emits a radio signal through your pet's skin to read the information contained within the chip. The identification number of your pet will then be displayed on the scanner's window.

## **What Are The Benefits Of Microchips?**

If your pet is ever lost or stolen it has a greater chance of being returned safely home. Most veterinarian offices and local dog shelters have scanners and routinely check dogs to see if they have been microchipped.

## **How Common Are Microchips?**

According to the AVID microchip website, millions of animals are already using these identification chips.

## **Are There Any Reasons to Avoid Microchipping Our Pet?**

The process of inserting the chip is quite simple and is done using only local anesthesia. Anyone familiar with giving routine vaccinations can safely administer a microchip. The only real risk would be the chance of infection setting in at the location that the chip was inserted.

**It is a highly recommended form of pet identification.**

## What Your Veterinarian WON'T Tell You About Microchips:

The concerns over the microchip controversy go way beyond your pet's safety and well being. It may very well be the pre-cursor to a whole new society which was prophesied of two thousand years ago by the prophet John, in the book of Revelation.

Could the Bible, nearly two thousand years ago really predict this new technology? It certainly did! The Bible clearly predicts a time where:

- ❖ There would be a cashless society
- ❖ There would be a one world government
- ❖ There would be a way for one person to rule the whole world
- ❖ Nobody can buy or sell without a mark

It also very clearly warns of the danger of accepting this one world government, it's leader – The Anti-Christ, and his mark which will be either in your forehead or your hand.

**This New Technology Has For The First Time  
In The History Of The World,  
Opened The Door For This Prophecy  
To Come To Reality  
And It Is Happening Right Before Our Eyes  
In Our Generation –  
With Our Families!**

### **Revelation 14:9-11**

*“If any man worship the beast and his image ,and receive the \*mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God,...and he shall be tormented with fire and.. the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and receiveth the \*mark of his name.”*

\*The word “Mark” charagma is charx in Greek meaning to “stake down into” or “stick into” - Did the prophet John predict this mark as being something that would be injected, with a needle, into your body?

### **Revelation 13:16-18**

*“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark”...*

**IF THE BIBLE,  
OVER 2,000 YEARS AGO  
COULD PREDICT  
SUCH WORLD CHANGING EVENTS  
SHOULDN'T YOU ALSO  
CONSIDER IT'S WARNINGS?**

## **Just Think About All Of The New Technology That Is Bringing In This Cashless Society!**

- ❖ You no longer need cash or an ATM card to pay for gas!
- ❖ You no longer need to stop in line at the toll booth!
- ❖ You can shop at your favorite store, from home!
- ❖ Your pay check is automatically deposited into your checking account – and you never have to go the bank!
- ❖ You can pay your bills online without ever handling cash!

## How Do You Know They Are Planning On Using Chips In Humans?

Dr. Carl W. Sanders worked on the development of microchips for human implantation. He now believes such chips will be the Biblical Mark of the Beast. Writing for the June-July edition of Nexus, he says. “There are bills before congress right now that will allow them to inject a microchip in your child at the time of birth for identification purposes. The president of the United States of America, under the Emigration of Control Act of 1996, Section 100, has the authority to deem whatever type of identification is necessary – whether it be an invisible tattoo or electronic media under the skin. So I think you have to look at the facts, folks: this is not coming as some big shock. The paving has been done ahead of time.” *Dr. Carl W. Sanders*

## Who Is Responsible For Designing And Marketing These Microchips?

Beginning July 15, Applied Digital Solutions will begin beta testing on humans an implant technology capable of allowing users to emit a homing beacon, have vital bodily functions monitored and confirm identity when making e-commerce transactions. © 2001 WorldNetDaily.com

“FUTURE EVENT”  
THAT CHRISTIANS HAVE BEEN WAITING FOR  
IT IS HERE!**

## **How Can I Avoid God's Judgment?**

There are two choices. You can trust in your own strength to stay diligent and determined enough to live in this world refusing to accept the mark of the beast.... Or you can accept God's perfect plan and way of escape from your sins prior to this prophecy fully taking effect.

**THANK THE LORD HE HAS LOVED US ENOUGH  
TO WARN US OF THESE THINGS TO COME!  
HE HAS ALSO LOVED US ENOUGH TO SACRIFICE  
HIS ONLY BEGOTTEN SON  
IN ORDER TO CLEANSE US OF OUR SINS.**

The very same Bible that prophesies of today's current events also has a complete plan for your own personal salvation. This is a very loving gift from God himself. In His omniscience (all knowing state of being), and Holiness, God sacrificed His own precious Son in order to pay the price for every person's sin.

God has given us the 10 commandments so that we can plainly see that we are sinners, in need of His divine help. Have you ever told even just one lie, wanted something your neighbor had, or stole even the smallest item? Of course you have. Sin, no matter what the quantity, is what separates us from God.

***“For all have sinned and come short of the glory of God.”  
Romans 3:23***

Just one sin completely separates you from God!

Many people believe that their own good works will earn them a spot in heaven, similar to weighing out more good than bad - but this is simply not true. God says very clearly:

***“For by grace are ye saved through faith; and that not of yourselves:  
it is the gift of God: Not of works, lest any man should boast.”  
Ephesians 2:8-9***

If we could earn our way to heaven by doing good works, then why did Jesus Christ have to come to this world and shed his innocent blood for us? We need Jesus Christ's death, burial and resurrection to cleanse us and make us pure and acceptable in God's sight.

God tells us that we must repent of our sins (turn from them and turn towards God), put our complete faith in what Christ did on the cross with his shed blood, and ask God to save us.

*“That if thou shalt confess with thy mouth the Lord Jesus,  
and shalt believe in thine heart  
that God hath raised him from the dead,  
thou shalt be saved.*

*For with the heart man believeth unto righteousness;  
and with the mouth confession is made unto salvation.”  
Rom. 10:9-10*

Salvation is something you choose to take part in, something you decide to do, and something you accept like you would a gift on your birthday. The gift is there, if you do not accept it, it is not yours.

*“Jesus answered and said unto him,  
Verily, verily, I say unto thee,  
Except a man be born again,  
he cannot see the kingdom of God.”  
John 3:5*

God has provided everything that you need in order to have complete forgiveness for the sins that you have committed. You only need to seek Him, repent from your sins, trust fully in Jesus' shed blood and resurrection and ask Him to save you.

You can ask God for salvation today! Then you can watch these prophecies come true and know that you are forever God's child.
